Patrons' Message & Contact Directory

As we look at the amazing spectacle of the 2018 Mt Larcom Show, let us reflect on the many hours that have been put in by dedicated men and women – the volunteers who have contributed to the staging of this event. See the generosity of the sponsors who have given money, product or donated work hours to this occasion.

In 2019 we will celebrate 100 years since this community saw the need for an Agricultural Show and formed the Society that still operates today.

Please enjoy the 2018 Show and thank you for joining us.
